Kasey Chase is young, fun, and obsessed with cum. “I love jerking guys off and watching them cum. It’s fascinating. I jerk my boyfriend off twice a day. Sometimes he invites his friends over so I can watch them cum too.” Kasey explains. “I love how a geyser of juice shoots out of the tip. It’s so warm and tasty! I even like the way cum splatters on the ground. I can read the future in those droplets of jizz!” We see *your* future, Kasey. You might want to pick up some protective goggles. We aim for the mouth, but it always gets in the eyes!

MCKENZIE LEE & MICK BLUE
STRAWBERRY PIE

Mckenzie Lee tastes like strawberries. She must've douched with one of those fancy strawberry-flavored products, Mick thinks, licking loudly from the wrinkled folds of her asshole to the throbbing nub of her clitoris, stopping in the middle to dine at her flowing fuck-hole. Eat up, Mick, and then bury your veiny boner deep inside McKenzie's hot pussy.

BLAIR-NTS-05

GET SMART, GET HARD, GET AWAY WITH IT! AN IDIOT'S GUIDE TO CHEATING ON YOUR LOVER

STORY BY PETER THOMPSON

RULE #74: WHEN IN DOUBT, RENT A CAR
RULE #18: NEVER CHANGE YOUR COLOGNE

RULE #9: ALWAYS WEAR A CONDOM
RULE #55: ALWAYS PAY IN CASH
—CHEATING AMERICAN STYLE BY ANONYMOUS

MEN WHO CHEAT ON THEIR PARTNERS AREN'T NECESSARILY BAD PEOPLE, THEY'RE VICTIMS OF THE DREADED DISEASE WPS (WANDERING PENIS SYNDROME). PLAIN AND SIMPLE, CHEATERS ARE SELFISH ASSHOLES THAT GENERALLY DON'T GIVE A SHIT WHAT KIND OF CARNAGE

FOLLOWS IN THEIR WAKE. THUS, IT'S IN THE SPIRIT OF HARM REDUCTION THAT WE AT HIGH SOCIETY OFFER THIS GUIDE FOR WANNABE DON JUANS—EVERYTHING YOU NEED TO KNOW TO SUCCESSFULLY CHEAT ON YOUR BETTER HALF.

BASIC TRAINING

Let's face it, some rules are pretty obvious, like **#45: Double Up On Your Shower**. Men often forget that easy women have a habit of wearing body glitter, especially those girls "in the business."

any stray hair or foreign toiletries that might suddenly appear without warning. Which leads directly to **Rule #3: Do Not Fuck The Help**. A legendary crime boss and larger-than-life bodybuilder couldn't resist the lure of a frumpy woman in a starched cleaning outfit and they both paid dearly for their indiscretions.

Truth be told, I, your humble author, was in fact pinched with my pants down. Pants down, socks up, to be precise.

My ex, Cora, stormed into the bedroom as I was banging a sexy 19-year-old Latina whose name now escapes me. I was caught, literally, in mid-thrust. I'd been at it hard with this girl when Cora suddenly showed up. She stood in the doorway, her arms crossed like a pissed off Golem. She didn't move. She just stood there, watching me fuck this nameless stranger.

A gentleman probably would've stopped pumping immediately, but I kept thrusting in and out, my ballsack making wet smacking noises as sweat dripped off my brow, blurring my vision.

Also, I just wanted to cum.

My companion didn't seem to mind my girlfriend's intrusion. She moaned for me to fuck her harder. Her English was poor, but I knew what she was getting at. Between pumps, she gave my dick a pleasant squeeze as it passed through the muscles of her hairy melon slice.

I kept fucking until the entire act began to feel more like an audition than a betrayal. Cora was a dirty girl. There was a slim, slim, slim chance that this whole thing was turning her on. Maybe if I kept fucking this slut, she would get so turned on that she'd join in?

Nope. Cora didn't move. She stood there, exhaling streams of contempt from her long nose.

Nobody really needs space. But when it comes to cheating, distance is the key to success.

Cora stepped back and then slammed the door shut.

I pulled out of the Latina's soupy slit and shot a hot barrage of grease at her face. I kissed her on top of the head, slipped on my pants, and ran outside barefoot, hoping to catch Cora before she left. When I finally reached the parking lot I noticed that my tires were slashed and my windshield had been smeared with dark-brown dog shit.

Right then and there I made a promise to myself. Never again, I said. Never again would I allow myself to get caught cheating.

Continued on page 52

To remedy this, have a female (sister, maid, or neighbor) visit your place often enough so that you have a ready explanation for

TRUE GFE

KAYLEE

Pros: Sucks, fucks, kisses and cuddles—true GFE.

Cons: Looking for “relationship”

**MAN-ASS
FRIENDLY**

Kagney Linn Karter tries to make each and every blowjob unforgettable. Some men claim Kagney's oral skills prompt a poignant, life-affirming experience. "I go at a hard dick like a fat lady at an all-you-can-eat buffet!" Kagney says, proudly sticking two fingers in her slippery box and another one up her bum. "I take my time, work the shaft until it's good and slick. Then I'll suck the balls and taint. I am not afraid of man-ass either!" That's fantastic, Kagney! Can we cum on your face? "Sorry, but I swallow." Well, I guess that's OK.

**ESMERELDA****Pros:** Pretty eyes, great teeth**Cons:** Crotch rot**Notes:** Stench unbearable after five minute-mark; try to nut quickly. No cunnilingus!**EXAMINING THE WRECK**

Exactly one day later I began making a detailed forensic study of what had gone wrong, connecting each and every last broken piece of my failed relationship as

Unlike the regulars on the popular '80s TV show, you've got to go where *nobody* knows your name.

though it were parts of a downed airliner. But I wasn't studying my failed relationship with Cora (pretty much doomed from the start), nor the relationship with the Latina whose name I still can't remember. Instead, I focused on my relationship with myself, the only person I truly cared about.

Following months of intense study, I came up with a set of rules that would allow me to betray my future conquests with steadfast resolve and, more importantly, relaxed peace of mind.

It was too late to try to change who I was or attempt to fix me. That was a project for the fortunate females on my horizon. Let's face it I'm a scumbag by nature. I can admit that. But even the slimiest of pricks doesn't want to get caught giving the so-called gristle to an unaffiliated piece of ass.

And therein lies the important next rule for successful extracurricular sex:

Rule #68: If You Can't Be Honest With Her, Don't Lie To Yourself

Humans are masters of self-deception. It's the prestige of evolution, something that comes with an opposable thumb and crystal-clear self-awareness. To lie to others is human, but to lie to ones self is just plain stupid. You lie to get her into bed, not to confuse yourself. We all

exaggerate when we need to and tell the occasional tale when it serves us.

"You're right honey, your ass looks amazing in your new skinny jeans."

Psychologists call it cognitive dissonance and say we believe our own lies to relieve the tension that exists between who we are and who we really wish to be. Essentially we do it to protect the ideal image we have of ourselves.

By breaking this covenant we allow ourselves to become more familiar with the lying, cheating piece of shit that we really are. It's the foundation for integration. Simply acknowledging yourself as a cad will do wonders for your self-esteem.

Rule #11: Distance Makes The Cock Grow Fonder

"I need some space."

Here's certainly a heaping helping of shit pie served warm that we've all heard at one time or another in our lives.

Nobody really needs space, but when it comes to cheating, distance is a key to success. It doesn't matter if you live in Manhattan, New York or Manhattan, Kansas. If you want the really fucked up things that you do to remain on the down-

AVOIDING GEOGRAPHICAL UNDESIRABLES

While having a fuck buddy living down the hall is convenient, eventually you're either going to get busted or find yourself trapped in two monogamous relationships. It's unavoidable.

People are clingy bastards. The wise fucker maintains at least 20 minutes or 20 miles between himself and his side trim. This means you don't frequent the same grocery stores as before. This way you don't run the risk of running into your partner by accident. It's not so much because you can't control yourself, it's because *they* can't.

Even living in a large city like New York can seem like a suburb at times. You may find yourself sharing the same schedule as others and despite the astronomical odds you may start to recognize the same people every morning. If people begin seeing you in the company of other women, you have to assume it will most certainly circle its way back to you and bite you in the ass.

If you want your relationship outside of *your relationship* to have a chance, you've

got to seek out new real estate. Unlike the regulars on the popular '80s TV show, you've got to go where nobody knows your name. Sure, it's a pain in the ass to travel 20 minutes for a piece of ass, but that 20 minutes may very well make all the difference in the world in how you *enjoy* that piece of ass.

Rule#4: Bulletproof Yourself

This was one of the reasons I got busted when I was stepping out on Cora. When she first smelled a rat she stayed up every night for two weeks until she'd managed to hack my email password, ironically "FUCKYOUCORAZ7." She literally read every email I'd ever written for the past 15 years. Even more upsetting, she knew every move I was making and *had* made on every girl I'd ever fucked. Yes, Cora was a confirmed psycho. That was a given. But this fiasco could've been prevented had I simply set up a new email account and used it exclusively for cheating. Had I taken the extra five minutes to set up a secondary email account both of our boots would still be knockin'.

Rule #97: Push Your Luck When Gambling—Otherwise Play It Safe

When we're growing up we are often told that not only do "cheaters never win", but

also that "winners never cheat." And then when we get older we actually learn that taking the "low road" is often the fastest way to the high life. The lesson here is that for every yahoo driving 70 mph down

**PATRICIA****Pros:** Married**Cons:** Shows up "freshly fucked" by hubby**Notes:** Insist on shower/douche upon arrival

the freeway there is always one other guy flying by at over 100 on the shoulder.

Sure, cheaters don't always win, but it's a good bet that those who succeed more times than they should are probably cheating. For example, one such MLB cheater came into the league capable of hitting 30 homers during a season. The star player left baseball hitting 80 dingers that year, playing half his games in a ballpark notoriously stingy for giving up homes runs.

Rule #2: If Adultery Is A Crime, Think Like A Gangster

Accurate statistics are often hard to obtain, but it's generally estimated that around 20 to 30 percent or more of all those individuals currently in relationships will at one time or another fool around with someone else.

Remarkably, a monogamous union is an implied contract and fucking around behind your partner's back is a violation of that assumed or explicit promise of sexual exclusivity.

And though it is almost never enforced, infidelity is still on the books as a crime in more than 20 states.

In 2008, a married, former New York governor admitted to being involved

In today's counter surveillance times you have to assume that all of your movements are being tracked by International Ship and Port Facility Security (ISP) and other similar intelligence agencies. Sure there are virtual private networks, but every time you walk through the airport there is facial recognition software tracking your every move. These days anonymity is for shut-ins.

As a result, we must use a strategy of constant vigilance, tactical thinking, and, most importantly, prudence if we want to regularly engage in the practice of freelance fucking. We must *think* like successful criminals if we're going to act like them.

"Any man who tries to be good all the time will be crushed." Machiavelli said that and the man evidently knew what he was talking about.

Rule #33: Refrain From Fucking Everything That Moves

With divorce rates quickly approaching obesity levels popular wisdom suggests that life is best spent in an emotionally stable relationship. You must admit having the same person at your side from your early-thirties until they place quarters over your eyes 65 years later is pretty cool. It's easy to stand in front of a justice of the peace and make a promise to fuck the gorgeous 19-year-old bride next to you for the rest of your life and nobody else. However, the thing that most men don't realize is that that stunning teenage bride isn't going to be the one you *want* to fuck in 40 years when she's sitting on the couch repeatedly weeping due to post-menopausal depression.

However, just because you have the opportunity to bang some primo tail doesn't mean you always should. Some guys think if they don't immediately seize the moment it will be lost forever, when in fact turning down easy pussy actually raises your fuck karma.

Rule #22: Cheat On Her Before She Cheats On You

Cheating is hardly a morally ambiguous enterprise.

Common sense tells us that if you are happy and in love with another human being you won't stray. It makes perfect sense. But love isn't governed by a regime ruled by common sense.

TWAT MUSCLES

VALERIE "THE VICE"

Pros: Amazing ass and twat muscles

Cons: Butter face

Notes: A 10 from the tits down! Don't look her in the eye or you'll turn to stone!

GREAT HEAD

"BLOODY" MARY

Pros: Great head and foot jobs

Cons: Frequently/constantly menstruating

Notes: Low risk of pregnancy

in serial extramarital affairs. During his heart-felt mea culpa the governor made the mistake of saying, "Well, at least it isn't a crime." He couldn't have been more wrong. It actually is a crime in New York, punishable by a fine of up to \$500 or three months in jail.

Let's be honest, even if you don't take your cheating seriously you probably won't end up in stir, but there's a good chance you might lose your job, home, or valuable possessions.

Everyone experiences temptation. Just as a hot summer day makes you a punk for a tall glass of ice water, a rock-hard erection and a couple hours to kill can make you a sucker for infidelity. But best be on your guard because if you're longing to stray, chances are so is she. One common misstep a man often makes is abruptly changing his routine, for example shaving several times a week after not giving fuck for five years straight. Another is when you secretly start purchasing new clothes for yourself, especially underwear, even though the duds you currently own are more than serviceable.

A relationship in which you're tempted to cheat is already a lousy relationship and probably one that won't last long anyhow. So it's best to get your pokes in before she does.

Rule #6: Hope For The Breast But Prepare For The Worst

There's perhaps no more complete metaphor for a relationship than playing a game of chess using the rules of poker. In this game, the bigger your bluff the potentially bigger your payday. But beating somebody out of their paycheck with a pair of twos could cost you more than a seat at the next game. Never ever forget that women can be volatile creatures.

If you're going to play the cheating game, expect to lose the occasional hand. Never go all in when you're holding a four and a three. Or at least don't blame us when you do.

Soon, she's making out with both guys and they take good care of her. Carter returns the favor by jerking them off and giving them head. John fucks her pussy first while she blows Jean. Jean goes in her ass-first, while John is enjoying Carter's lips wrapped around his cock. She gets fucked by both guys simultaneously, and her double penetration is hot and very intense! They fuck her while standing up and holding her in their arms, before she gets on her knees to receive a facial from both horny dudes!

DAKODA BROOKES

FRONTIER FUCKING

What type of guys does Dakoda Brookes like to date? "I like solitary men. Men who don't mind spending time alone," Dakoda explains, pulling aside her frilly panties and showing off her pink, wet slice. "I like truck drivers, oil rig workers, and guys out in the middle of nowhere doing manly work. The thought of going out to some remote frontier location and sexually servicing all the hard-working men turns me on immensely." The thought of you getting gangbanged by dirty oil-rig workers turns us on too, Dakoda.

MYSTICA JADE

Mystica has a fantasy of having a devil's threesome and she decides to ask Markus about it and he agrees. The day has come and she's in the middle, wearing sexy black lingerie. She gets

on her knees to suck their dicks, and then she gets her bald pussy pumped by John while she's sucking Markus' hard-on! She rides Markus' dick while John drills her asshole at the same time. They have great rhythm and the

action looks very hot and arousing! The girl goes ass to mouth then continues with the double penetration in reverse cowgirl. Mystica gets rewarded by having her face creamed by both dudes!

LAUREN PHILLIPS

PORN VALLEY, CA—TALL, NATURAL FIRE-CROTCH BABE LAUREN PHILLIPS DOESN'T GIVE THE IMPRESSION SHE'S A SEXUAL NYMPHO, BUT WHEN YOU READ HER EXCLUSIVE *HIGH SOCIETY* INTERVIEW YOU'LL SEE AND JERK IT TO HER DIFFERENTLY. THIS GIRL *LOVES* SEX! SHE HAS NO PROBLEM TELLING US ABOUT HER PAST SEXUAL HIJINKS. MAKES US WONDER WHAT ELSE IS ON THE SEXUAL HORIZON FOR THIS UNDERRATED PORN STARLET.

HIGH SOCIETY: *Have you ever used sex to get out of trouble?*

LAUREN PHILLIPS: I've used my sexuality to get out of the trouble, which always worked.

HS: *Have you had a one-night stand and if so how many?*

LP: Yes, too many to count.

HS: *Ever had a threesome, group sex, or been involved in an orgy before you got into porn?*

LP: Yes, I had a lot of threesome before I got into porn.

HS: *Ever masturbated in public?*

LP: Yes, I had multiple orgasms when I worked the Chaturbate booth at conventions, and I sometimes masturbate in the car.

HS: *Where's the hottest place you ever had sex in your personal life?*

LP: The Chinese theater.

HS: *What's one sex toy you can't live without?*

HS: *If you won the lottery, would you quit porn? What would you do?*

LP: No, I would put my money in an IRA, and save it for when I retire.

HS: *Can you describe a funny situation that happened to you or someone else on a porn set?*

LP: I think it is always funny when my pussy queefs just because it is so random.

HS: *Do you tend to date bad boys? What type of guys do you like?*

LP: No, I tend to date older guys because I like guys that are older and wiser.

HS: *Do you have any sexual regrets?*

LP: No, I have no regrets.

Kali Lane has a voracious appetite for young, hot pussy. She meets Jessie Alba at a rave club, gets her tipsy, and takes her back to her apartment. Jessie acts drunker than she is, letting Kali feast from the glorious, wet pleasure center between her legs. Crazy Kali even eats Jessie's sweaty asshole. Kali grinds her pussy against Jessie's face until her new friend's mug is flooded with juice. We feel a little drunk ourselves now, too.
